

Farm Star Living Provides Summer Farm Fun

Atlanta, GA -- Jun 08, 2015 / (<http://www.myprgenie.com>) -- Farm Star Living (www.farmstarliving.com), a national lifestyle brand highlighting farms, farm-fresh foods, and the farm-to-everything movement, showcases unique summer activities and tons of *Farm Fun* for everyone! Through its proprietary and carefully crafted research, Farm Star Living offers its *Farm Fun Finder* featuring 48 types of farms that host dozens of fun activities perfect for the family, kids and groups of friends.

“It took us over a year to find and categorize farms open to the public because we didn’t only categorize them by *type* of farm, but also by each farm’s unique activity(ies) they offer. Now the public can find more than 900 farms across the USA, as well as the most delightful farm activities. This is searchable *easily* in our *Farm Fun Finder* on our [site](#), the first of its kind. Plus, our free Farm Star Living App can even help you find farms *near you* – perfect for your summer road trip!” says Mary Blackmon, Founder.

Farm activities include picking berries, outdoor festivals and concerts, art retreats, petting zoos, hiking trails, workshops, barn dances, ecovillages, cattle drives, farm dinners, tours, and *much more*. Farm Star Living also features exciting monthly content on farms that some people would never consider – such as *Outdoor Farm Concerts, Top Farms for A Wedding, EcoVillages, Farm to Canvas, Romantic Destinations, Healthy Retreats with a Farm Twist*, and more.

In addition to *Farm Fun*, Farm Star Living offers its *Farm to Table Restaurant Finder* – a comprehensive farm to table dining guide showcasing restaurants hand selected by Farm Star Living, each offering locally sourced dining from their community farms. The site also showcases healthy living with a robust, unique *A-Z Farm Fresh Food Guide* and helps the public better relate to the farmers (*Farm Stars*) behind our food. Along with this, the site offers a variety of blogs, videos, recipes and more so that everyone can get in on farmer appreciation, which is a way of life Blackmon coined as *Farm Star Living*.
